

SHORT CURRICULUM VITAE

- Name:** DIONISSIOS PAPAIOANNOU
- Citizenship:** Greek
- Born:** July 20, 1952, Patras, Greece
- Academic Positions:** Professor, Department of Chemistry,
University of Patras, Greece
- Office Address:** Department of Chemistry
University of Patras
GR 265 04 Patras, Greece
Tel.: (+00302610) 962954, 996249
Fax: (+00302610) 962956
E-mail: dapapaio@chemistry.upatras.gr
Web page: <http://www.chem.upatras.gr/soclab>
- Previous positions:**
- Oct. 2002 — July 2008 Collaborating Faculty Member and Coordinator for the Thematic Unit ‘Organic Chemistry’ of the undergraduate program of studies ‘Studies in Physical Sciences’, Hellenic Open University, Patras, Greece
- June 1990 — April 1996 Associate Professor, Department of Chemistry, University of Patras
- Aug. 1985 — May 1990 Assistant Professor, Department of Chemistry, University of Patras
- Sep. 1982 — July 1982 Lecturer, Department of Chemistry, University of Patras
- March 1981 — Aug. 1982 Research and Teaching Fellow, Department of Chemistry, University of Patras
- Sep. 1980 — Feb. 1981 Research Fellow
- Academic studies:**
- April 1991 — Sep. 1991; July 1987; July 1988 Postdoc researcher, Imperial College of Science and Technology, University of London, London, UK
- Oct. 1991; Sep. 1988 — Sep. 1989 Postdoc researcher, Department of Chemistry, University of Bergen, Bergen, Norway

Sept. 1974 — Dec. 1977 PhD in Organic Chemistry, Imperial College of Science and Technology, University of London, London, UK
 Supervisor: Prof. D.H.R. Barton (Nobel 1961)

Oct. 1970 — June 1974 BSc (Ptychion) in Chemistry, Department of Chemistry, University of Patras, Patras, Greece

Distinctions:

Oct. 1970 1st position among the students entered the Department of Chemistry following Panhellenic Entrance Examinations

Oct. 1970 — June 1974 Scholarship for four years from the ‘State Scholarships Foundation’

June 1974 Degree of Ptychion: Excellent (9 out of 10)

Areas of Interest: Synthetic Organic Chemistry, Medicinal Chemistry

Publications in

Referred Journals (with I.F.): 79

For details visit: <http://www.chem.upatras.gr/soclab>

Publications List: <http://www.researcherid.com:80/rid/F-3384-2010>

Table with I.F.: http://www.chem.upatras.gr/soclab/attachments/DPJ_Impact_Factors.pdf

Patents: 1 (PCT; US; EP)

Publications in International Symposium

Proceedings and Presentations: 11

Publications in National Symposium

Proceedings and Presentations: 48

Textbooks (in Greek): 6

Alternative teaching material (webcasts, hypertext in Greek) for the Hellenic Open University: 4

Citations: (self citations not included) > 530

Referee of International Journals:	Eur. J. Org. Chem.; Eur. J. Med. Chem.; J. Org. Chem.; Org. Letters; Synthesis
Member of the Advisory Board of International Journals:	Eur. J. Org. Chem. (2000-2008)
Invited lectures:	Department of Chemistry of the Universities of: (a) Athens, (b) Thessaloniki, (c) Ioannina, (d) Crete (Greece), (e) Calabria (Italy) and (f) Leipzig (Germany) Department of Chemistry of : (a) Imperial College and (b) University College London (UK) National Research Institute (Athens, Greece); Department of Chemistry of the University of Calabria (Italy) Department of Pharmacy of the Universities of Calabria and Messina (Italy) and Bath (UK) School of Medicine of the University of Napoli (Italy)
Supervision of PhD students:	8
Supervision of MSc students:	17
Supervision of final year Chemistry students (Experimental Diploma Thesis):	19 (3 of which Erasmus students)
Participation in National Research Projects:	5 (Coordinator: 5) Total budget=154 k€
Participation in National/International Educational Projects:	3 (Coordinator: 3) Total budget=496 k€

- Research networks:** Member of
2 Intra-University (University of Patras)
Networks:
(i) ‘Identification and Biological Evaluation of
the Chemical Constituents of Native Plants of the
Greek Flora’;
(ii) ‘Network for the Development and Biological
Evaluation of Multipotent Anti-inflammatory and
Antimicrobial Pharmaceutical Products’
and of
1 National Network:
‘Network for Translational Research
(EATRIS-GREECE)’
- International Cooperation:** Department of Chemistry, University of Bergen,
Bergen, Norway);
Department of Chemistry, University of Calabria,
Calabria, Italy;
Department of Pharmacy, University of Messina,
Messina, Italy
- Foreign languages:** English, German
- Administrative positions:**
Sep. 1995 — Aug. 1997 Head, Department of Chemistry, School of
Natural Sciences, University of Patras, Patras,
Greece
Sep. 1993 — Aug. 1995 Deputy Head, Department of Chemistry, School
of Natural Sciences, University of Patras, Patras,
Greece
- Member of Societies/Associations:** Member of the ‘Royal Society of Chemistry’;
Member of the ‘European Chemistry Thematic
Network Association’;
Member of the ‘Association of Greek Chemists’
